

JEFFERSON COUNTY FARMERS & NEIGHBORS, INC. ANNUAL MEETING

STOP THE CAFOS! **How the Buffalo National River Did It** *(And how Iowa can do better)*

Thursday, October 16 at 7:00 pm via Zoom

CORPORATE SPONSORSHIP PROGRAM

JFAN warmly welcomes all businesses – whether publicly or anonymously – to participate in our Corporate Sponsorship Program. Your involvement enables us to continue the high level of community awareness and education that has been so instrumental in safeguarding our community from widespread CAFO development and maintaining Jefferson County's high quality of life

We offer various levels of participation, and in exchange for your sponsorship, your company receives exposure through lead-up publicity as well as at the Annual Meeting. Many businesses have taken advantage of the extra publicity while supporting JFAN's mission to protect Jefferson County.

Because of the sensitive customer demographics of some Fairfield companies, you also have the option to remain anonymous while participating. Either way, your support plays a crucial role in keeping JFAN strong.

Of course, if you wish to remain anonymous, you will not be required to publicly list your organization. Nonetheless, your support goes a long way in helping JFAN continue its ongoing efforts to protect Jefferson County.

STOP THE CAFOS! How the Buffalo National River Did It will be recorded and posted on JFAN's YouTube channel and promoted widely. Your organization will continue to be acknowledged with each viewing, typically numbering in the hundreds.
